INTERNATIONAL e-CONFERENCE ON COMPUTER SCIENCE 2005 (IeCCS 2005), 12-17 May 2005

Place: Internet (it is an e-conference), URL: www.ieccs.net

Special Session on:

"Computers & Security"

This special session is a part of IeCCS. The scope of this special issue is on all views of computers & security. The call is addressed is scientists and engineers who design, develop and implemented information security and cryptography subsystems. We encourage scientists and engineers from academic or industrial environments to submit their works in order to enhance the knowledge, expertise, and experience of the whole community in computer security, cryptography, as well as software & hardware implementations of them. The subject areas will include, but are not limited to, the following:

- **Cryptography**
- **Modelling and Architecture**
- **Adaptive Security**
- **Public Key Infrastructure**
- **Cryptanalysis**
- **New encryption algorithms**
- **Case Studies, Surveys**
- **Security Schemes**
- **Implementation Cost and Performance Evaluation**

Manuscripts submitted to this special issue should not be submitted to or in consideration by other journals or conferences, which have proceedings. Papers, which have appeared previously in proceedings of conferences, can be submitted to this special issue if they are substantially revised or improved from their earlier versions due to copyright issues. Submissions (pdf format) must be sent via email to: **Dr. Nicolas Sklavos**, email: nsklavos@ee.upatras.gr

IMPORTANT DATES

Submission of Paper	*April 5, 2005*
Notification of Acceptance	*April 15, 2005*
Camera Ready Versions	*April 19, 2005*
Conference Dates:	*May 12-15, 2005*

All accepted papers will be published in the proceedings of IeCCS 2005, which will be published in the special volume of the *VSP/Brill Series: Lecture Series on Computer & On Computational Sciences*. We note that the above series will be included in the Science Citation Index, (www.ieccs.net/proceeding.htm). A selected number of papers will be published in a Special Issue of the *Journal: Computing Letters (CoLe)* published by VSP/Brill (www.ieccs.net/proceeding.htm).

Dr. Nicolas Sklavos, Session Editor
